# Quarterly Revenue and EPS

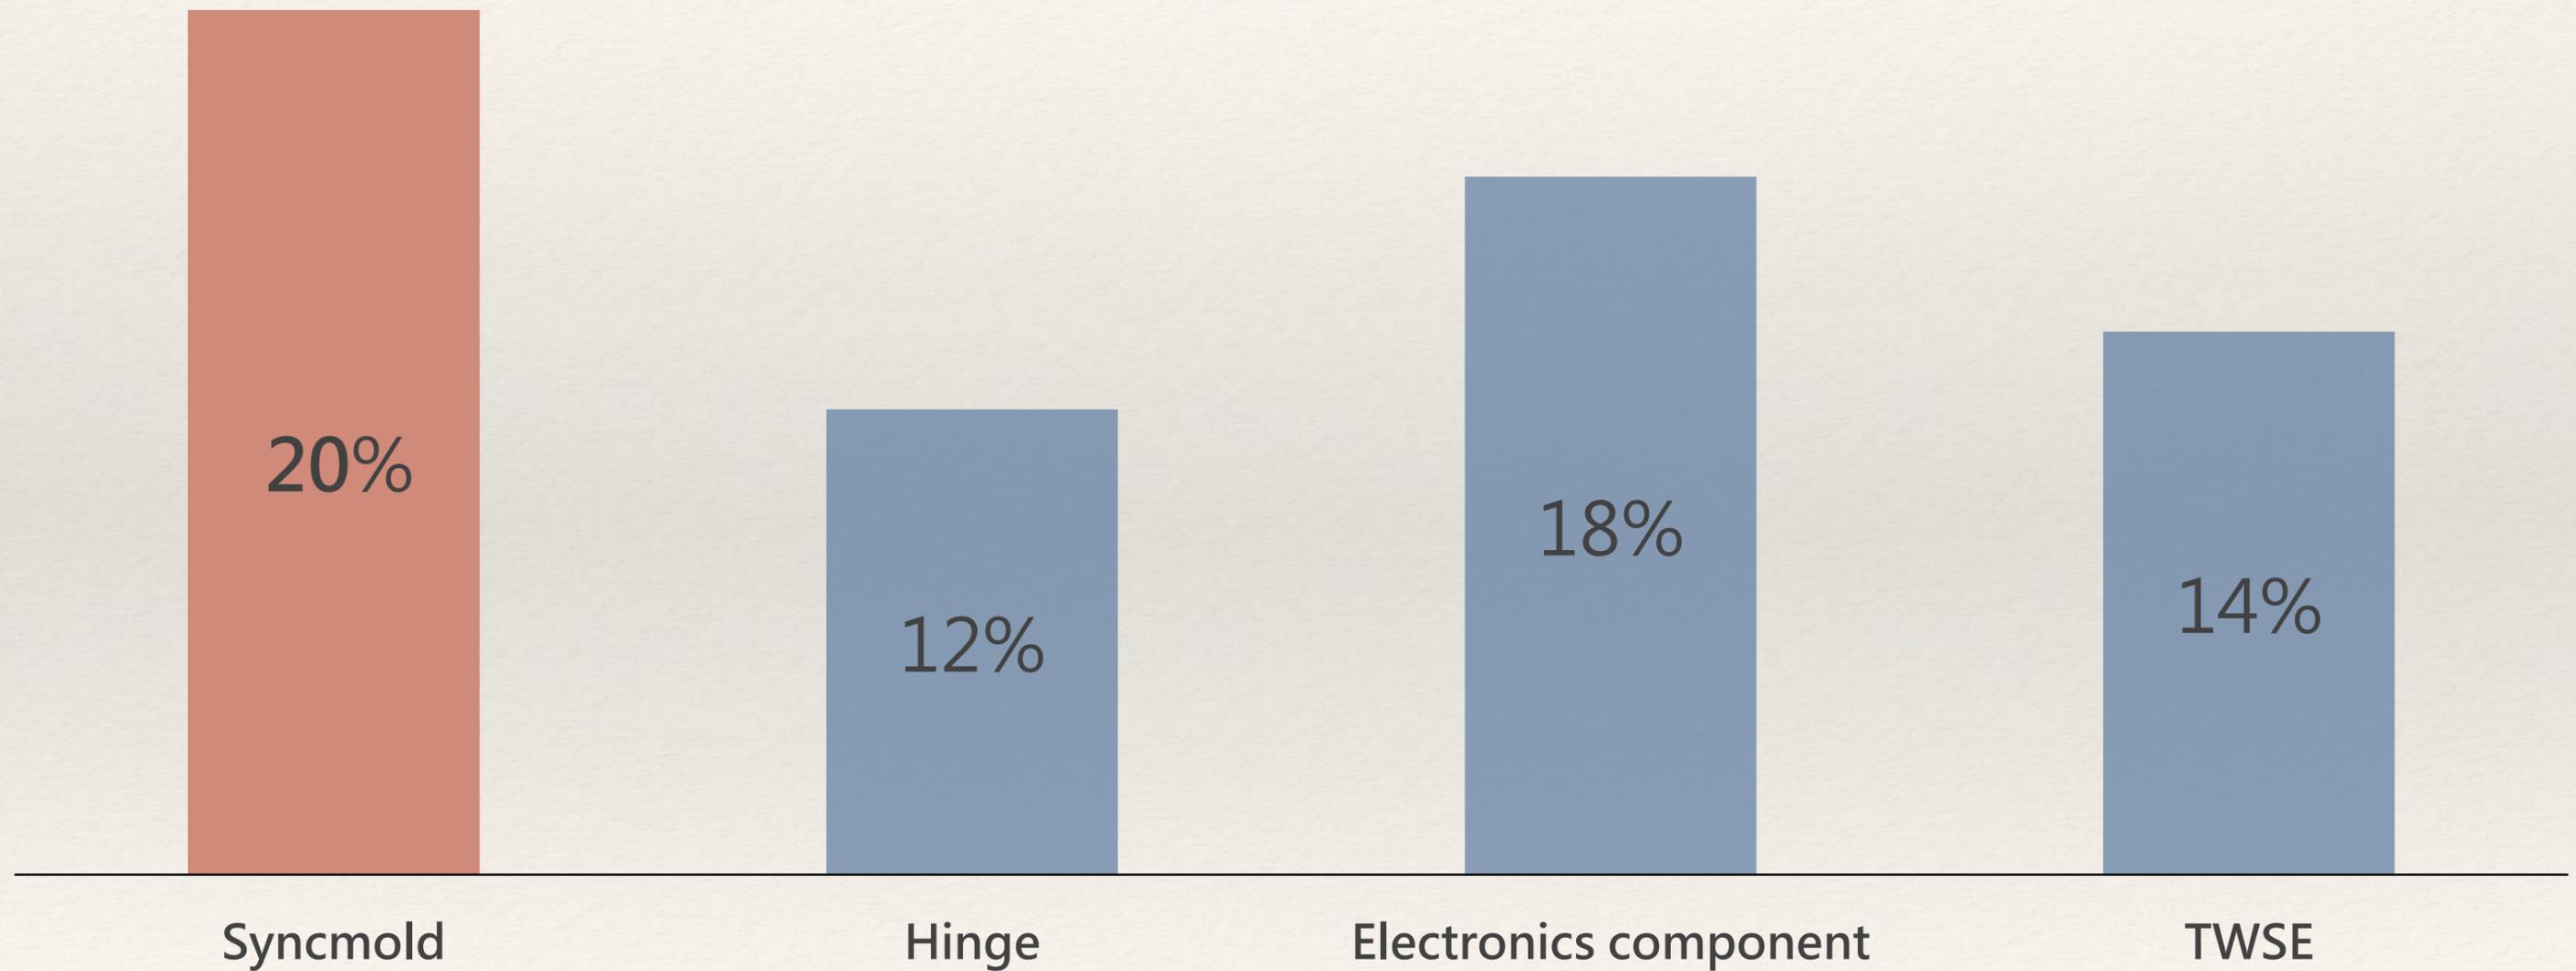

Revenue(NT\$B) EPS(NT\$)

Note: EPS is calculated by net income/quarter-end capital

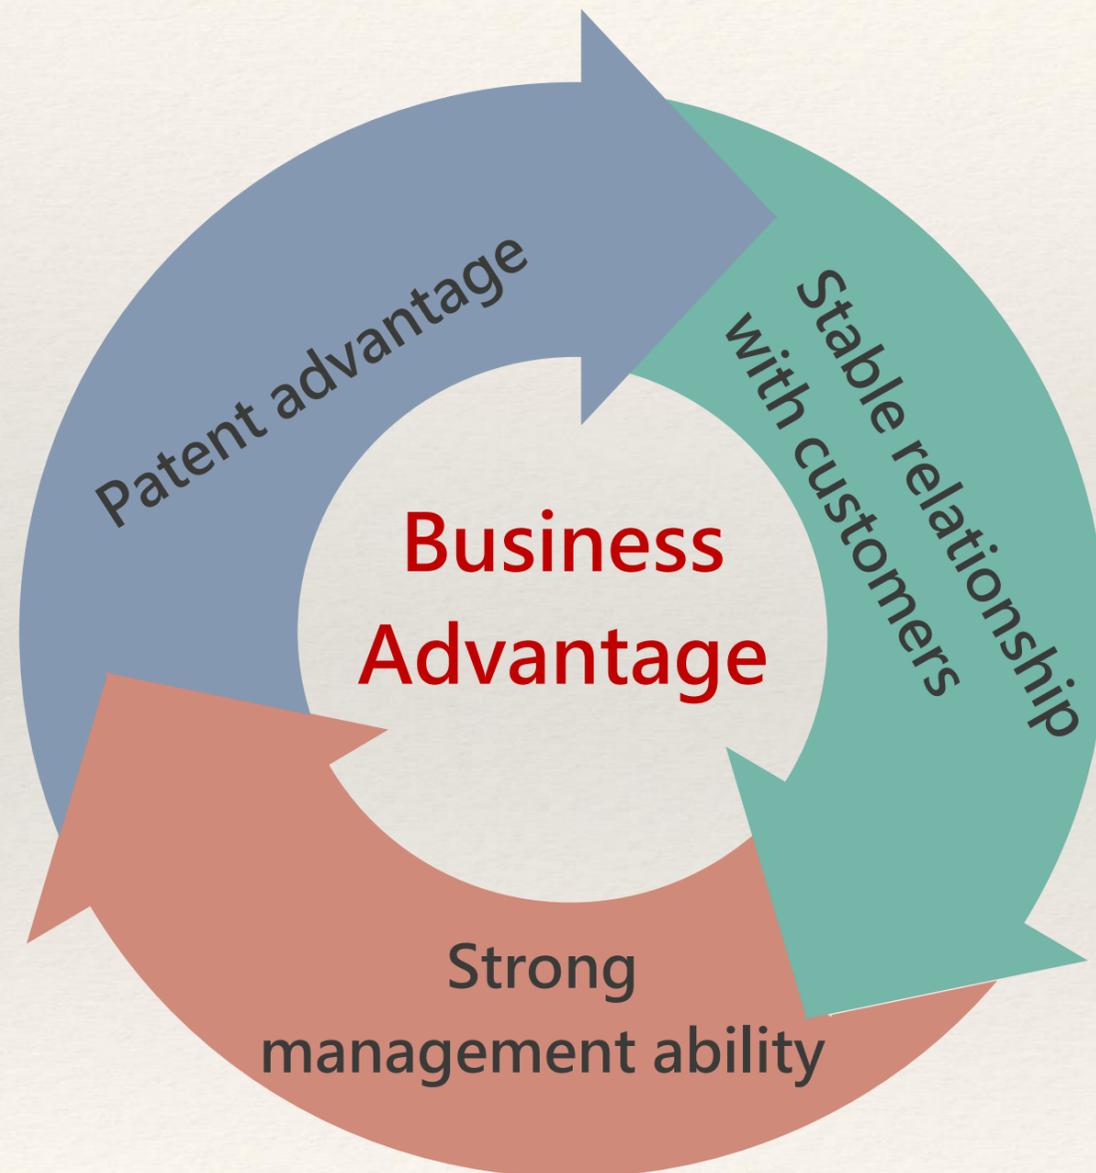

# Deliver Higher ROE

2017-2021 Avg. pre tax ROE( income before tax/equity)

Note: given only pre-tax profit data disclosed from TWSE, we use pre tax ROE to be benchmark

# Competitive Advantage

## Patent advantage

Obtained more than 140 patents in Y2021, ranked 55th among the top 100 patent applicants in Taiwan, with 839 accumulated patents.

## Stable relationship with customers

Long-term cooperation with brand clients, leading and formulating industrial specifications, and providing customized products and stable supply.

## Strong management ability

Deliver higher ROE than peers as well as sufficient and stable free cash flow.

---

# Strategy and Prospect

---

## Long-term Goal

Expand the group operation scale

- Better product mix
- Diversified manufacturing sites to reduce production risks in single area
- Subsidiaries' operation bring synergy to the group

## Short-term Goal

Integrate the group resources, adjust capacity allocation, and improve profitability

- Set up strategic marketing center to integrate group product resources
- Set up strategic procurement center to effectively control the cost structure
- Adjust group capacity allocation, and set up the Vietnam factory

# ESG Implementation Results

## ❖ Environment

- (1) Obtained ISO 14001, ISO 50001, IECQ QC080000 certification.
- (2) Carbon emissions have been reduced year by year, and expect to reduce carbon emissions by 1% every year in the future.

	2019	2020	2021
GHG Emissions (KG)	192,476	171,830	201,288
GHG Emission Intensity (KG/employee)	944	667	799

- (3) Established a corporate governance team to promote sustainable development, and to implement Carbon Footprint Verification in 2023, which is ahead of the authorities requirement.

## ❖ Social

- (1) Average salary higher than electronics manufacturing industry peers.
- (2) Made donations to set up a book stack in rural elementary school for social welfare.

## ❖ Governance

- (1) Had set up a "suggestion box" as a channel for the grievance mechanism and reporting procedures.
- (2) Established Audit and Remuneration Committee to strengthen corporate governance.
- (3) BOD include one female director, and the proportion of independent directors is 57%.
- (4) Prepared an ESG summary report for investors to understand the company's ESG implementation.
